

BSc (Hons) in Information Technology Specialising in Information Technology

The programme is designed for technically focused students who required to develop strong professional & academic capabilities in programming. You will develop strong technical skills in the areas of software design and software engineering, operating systems, systems administration and technical support, and networking.

Approved by the University Grants Commission under the Universities Act	Member of the Association of Commonwealth Universities	Member International Association of Universities (IAU)	Accredited by Institute of Engineers & Technology , UK
			 Accredited by the Institution of Engineering and Technology (IET) on behalf of the Engineering Council for the purposes of fully meeting the academic requirement for registration as an Incorporated Engineer and partly meeting the academic requirement for registration as a Chartered Engineer.

Career Opportunities

- Application Engineer
- Software Engineer
- Software Quality Assurance Engineer
- Web Developer
- IT Educationist
- Development Operations (DevOps) Engineer
- System and Database Administrator
- Data Scientist
- Network Engineer
- Information Technology Manager

-  Duration : 4 Years
-  Entry : February / June / September
-  Location : Malabe / Colombo /
Matara / Kandy / Kurunegala
/Jaffna
-  Examinations : Weekdays /
Weekends
